

Palm Beach Polo Club & Preserve Employee Holiday Fund

November 25, 2024

Dear fellow resident,

We would like to establish the tradition of contributing to the newly established Palm Beach Polo POA Employee Holiday Fund. The fund will provide a method to express our appreciation to the Club's employees and security staff, many of whom you may seldom meet, but whose services are a vital part of the seamless functioning of the Club. The excellence of our staff is what provides the foundation of our unique community.

The Employee Holiday Fund will bolster employee morale and will be distributed impartially to the employees. With the rising cost of living, we are hoping the fund will ease the stress the holidays place on families that are less prosperous.

Our employees have always been thankful for the opportunity to work for us and will be most grateful for any amount received this year. Please submit your contribution to the Club no later than December 15th so that we may distribute the bonus to the employees before Christmas.

Thank you and have a healthy, happy, and peaceful holiday season.

Andrew Carduner
President

On Behalf of The Board of Directors

Palm Beach Polo Club & Preserve Employee Holiday Fund
